AIR WAVES OnDemand

Hide this layer when finished.

1. Add your art to the “Your Design” Layer

2. Ensure your art fits on the artboard. This is the actual size of the print area. Adjust your art accordingly.

3. Ensure blacks are at 100% density. If they are at all transparent, they will print grey.

4. Hide the “Guides” and “Shirt” Layers

5. Export your art as a high resolution .png at 300dpi. Do not include the artboard in your file.
